RE: Petition of the Office of Regulatory Staff Requiring Condor Environmental,  
Incorporated to Verify Authorized Rates and Charges  
**Docket No. 2021-168-S**

Dear Ms. Boyd:

The Office of Regulatory Staff has reviewed the Motion to Approve Rates *Nunc Pro Tunc* and to Approve Pass-Through Rates for Rose Hill Subdivision filed by Condor Environmental, Inc. in this docket on August 26, 2021. Subject to the following clarification, ORS does not object to Condor's Motion.

Condor's Motion states "Condor moves that the Commission issue an order for the other relief requested in Condor's June 21, 2021, request, approving past charges for both subdivisions *nunc pro tunc* . . . ." Condor's June 21, 2021 request was limited to a request for the Commission to "[a]pprove past charges of the **WW Fee** in Rose Hill and Caledonia *nunc pro tunc*." (emphasis added). Subject to this clarification, ORS does not object to Condor's request that the Commission approve past charges of the WW Fee *nunc pro tunc* and allow Condor to pass through future increases of the WW Fee in Rose Hill according to the terms approved by the Commission in Order No. 2016-74 for Caledonia.

Thank you for your consideration in this matter.

Sincerely,

/s/ Alexander W. Knowles
